Thank you to the Members of The Parish Council who give their time to care for the Village  
I welcome the opportunity to put forward some thoughts on possible housing sites for consideration  
1 Chatley Barn, off Telisford Lane together with a possible additional two Houses off the existing access.  
2 A new junction off The Frome Road to the same land would give access for a possible Exception site together with a number of Market Houses with suitable Landscaping .  
I would be happy to consult with the Council on ideas to promote further the need for more local Housing
